## November 9 - ELAA Virtual Event

Hi Everyone,

A quick reminder that the ELAA Virtual Event is on Wednesday, November 9th from 6:30 p.m. to 7:30 p.m. MST.

This is a great way for your students to connect with nearly 20 of our member institutions, from the comfort of their own computer. We encourage students to log on with their family or other supporters and interact with representatives from Post-Secondary and other institutions in a comfortable and accessible way.

No pre-registration is necessary and students do not have to stay the whole time.

To join the event, go to [elaa.ab.ca](http://elaa.ab.ca) and hover on the Members of ELAA menu. Then select View ELAA Members from the drop down menu. Each member institution will have a link in their profile. You can visit as many institutions as you would like! The possible ELAA members you can interact with are listed below:

Alberta University of the Arts  
Ambrose University  
Athabasca University
